☒ Location monitoring technology at the discretion of the probation officer.

This form of location monitoring technology will be used to monitor the following restriction on your movement in the community (choose one):

☒ You are restricted to your residence at all times except for employment; education; religious services; medical, substance abuse, or mental health treatment; attorney visits; court appearances; court-ordered obligations; or other activities as pre-approved by the probation officer (**Home Detention**).

RE: Alexander Rosenberg

Prob12B
D/NV Form
Rev. June 2014

CAUSE

On August 21, 2018, Mr. Rosenberg began his three (3) year term of supervised release. As a special condition of his supervised release, the Court ordered Mr. Rosenberg to be restricted to his residence at all times except for medical necessities and court appearances unless approved by the Court for a period of eight (8) months. (Home Incarceration).

The Court also ordered Mr. Rosenberg to pay \$2000 fine and a \$100 special assessment.

On August 27, 2018, Mr. Rosenberg was placed on location monitoring equipment to enforce the Court's restriction. Due to the type of restriction ordered by the Court, Mr. Rosenberg has been unable to seek employment and has been reliant upon his parents for support.

This officer believes the type of restriction currently imposed by the Court should be amended to the "Home Detention" component. This is a less restrictive component which will provide Mr. Rosenberg opportunities to seek employment and engage in prosocial activities as approved by the U.S. Probation office.

This officer has discussed the "Home Detention" component with Mr. Rosenberg. He is receptive to this change in his special condition restriction and has signed a waiver of hearing, agreeing to comply with the proposed condition.

Respectfully submitted,

Brannndon S.
